Grayshott Cricket Club - Selection Policy

This is to create a clear understanding of the reasons behind player selection and some guidelines for players to be aware of.

Who is Eligible?

- Only members of Grayshott Cricket Club will be eligible for selection.
- Only players who have paid their annual subscription by 31st May of the current season are eligible for selection.
- Players with 2 or more weeks arrears of match fees' will not be eligible for selection until the monies are paid.

Who selects the teams?

- Selection will take place on Saturday evening 1 week prior to the following weeks' fixtures.
- Selection will be made by the selection committee, consisting of 1st XI Captain, 2nd XI Captain, 3rd XI Captain, 4th XI Captain and Club Captain. Their Vice-Captains can deputise in their place if required. 3 or more of the committee need to be in place to make selection possible.
- 1st choice of players going to the higher team.
- Selection will be based on availability, form, ability, reliability and attitude.
- When a player is picked in a different team from usual, they will be played as close to their normal positions as possible.
- Youth team players will be selected upon recommendation from their youth coach.
- Promoted and demoted players will be informed personally, with reasons, by the senior selecting captain.
- Team captains will confirm team selection to all players by Monday evening

Who is available?

- Players will only be available for selection if they have made their availability known to the team captain or club captain prior to the selection meeting. (Saturday evening)
- Availability means you are able to get to the ground of the match you are selected for at least 15 minutes prior to the game. Some captains may require you at the ground up to 1 hour before the scheduled start time. If this is not possible, you are **NOT** available for selection.
- Should a player become unavailable for any reason they should contact the captain or vice captain of that side immediately so that a replacement can be arranged. Contact details are in the fixture card and on the Website.
- Any player who regularly (more than once per season) makes themselves unavailable, **FOR ANY REASON**, after Midnight of the Wednesday prior to the match, will only be available for a lower team the following week. After playing that match they will become fully available once more.
- Some League rules may prevent this happening if it affects more than 2 players in any given week. The selection committee will make a decision should this occur.
- Availability should be given to the club as soon as it is known. Ideally a full seasons' availability if possible. Any changes to this can be made with the captain.
- Players should expect to be asked to do a tea once a season as part of their commitment to the club.
- If you have any questions regarding the selection policy or if you think you should be playing in a different side please contact your captain or the club captain to discuss.
- This policy is a guideline and there may be rare occasions when it is not possible to follow these to the letter. It is the selection committee's decision to pick teams and where possible the guidelines above will be followed.

We hope players accept these guidelines in the spirit that they are intended
